### 1. "Taster"

#### 6 pointed star class

This is a great option for anyone over the age of 14 to come along and 'have a go' in a fun environment. This beginners class runs for 2 hours and you can take your work home. Class includes all tools/materials and refreshments. **\$80**

### 2. "Nibble"

#### Glass mosaic lantern class

This short beginners class introduces you into the wonderful world of glass mosaics. You will learn how to cut and break glass to decorate your lantern. It will give you a taste of the craft with the added bonus of taking away a lantern you will treasure forever. The class runs for approximately 2 hours. Class includes all tools/materials and refreshments. **\$125**

### 3. "Bite"

#### Mosaic house number class

Come and make a unique mosaic plaque for your home. Ideal for complete beginners! You can take home your work the same day. The class runs for approximately 4 hours and includes all tools/materials and refreshments. **\$135**

### 4. "Light Lunch"

#### Mosaic stepping stone class

Fancy something different in your garden? Come and design and make a mosaic stepping stone. Suitable for beginners or experienced. The class runs for approximately 4 - 5 hours and includes all tools/materials and refreshments. **\$135**

## 5. "Main Courses"

### Tiffany lamp course

This exciting beginners course requires no prior experience. You will learn how to cut, grind, copper-foil and solder glass to create a Tiffany lamp in a fun environment. Why not grab some friends and do it as a fun night out each week? Tools included and you will be guided on the purchase of your glass. 12 hours (over 5 weeks). **\$195**

### Leadlighting courses

This interesting course will cover the basic technique of leadlight. You will learn to design and draw your pattern, cut glass and construct your panel, all in a comfortable, relaxing atmosphere. Tools and refreshments are included and you will be guided on the purchase of your glass.

18 hours (over 6 weeks) **\$195**

Beginners Leadlight class 3 hours (inclusive of all materials) **\$90**

## 6. "Dessert"

### Tuesday Night Workshops:

- For previous Groovy Glass Students who have learnt the basics and want a fully equipped workshop to use for ongoing projects.
  - With help and advice from Rachael and a chance to meet likeminded people, what better way to spend your Tuesday evenings!
  - Bookings essential at least 24 hours in advance.
- \$15 per hour**

## 7. For those still Hungry for more...

### Individual Tutoring and Mentoring:

- With her experience as a glass artist and teacher of adult education at several colleges, Rachael can provide thoughtful and fun personal coaching for those who want to explore more in-depth work outside of a formal course environment.
